

JOIN IN THE SPIRIT OF GIVING THIS CHRISTMAS AT THE VALLEY

MVRC extends a warm welcome this festive season to our local community, schools and clubs, members, guests and race goers to give a gift this Christmas to those in need.

Come visit Santa's Workshop at The Valley and experience the true meaning of Christmas by donating a gift in support of the Smith Family and Helping Hands. Donations will be accepted from the 16 November.

Christmas is a time to celebrate, sadly, thousands of Australian kids will go without receiving a gift this holiday season simply because their families can't afford it. Here at The Valley we are calling upon the community spirit to pull together and support those who experience hardship or disadvantage this Christmas.
